Welcome to 119 Isherwood Close, a beautifully updated two-storey home with a fully finished basement and a heated double attached garage. This home offers excellent curb appeal with a welcoming covered front porch. The open-concept main living area is perfect for entertaining family and friends and showcases a renovated kitchen (2021) with dark-stained cabinetry, upgraded countertops, tile backsplash, stainless steel appliances, and a walk-in pantry. The dining area overlooks the sunny south-facing backyard, while the cozy living room is centered around a gas fireplace and flooded with natural light from the large windows. The main floor also includes luxury vinyl plank flooring throughout, a 2-piece bathroom, a front entryway, and a convenient laundry/mudroom off the garage. Upstairs, the primary bedroom offers a walk-in closet and 4-piece ensuite. Two additional bedrooms and another full 4-piece bathroom complete the second level. The fully finished basement adds a spacious family/games room (with potential for adding a wall to make a 4th bedroom if desired), a 4-piece bathroom, and storage space in the utility room. Step outside to a backyard retreat with a refinished deck with deck times (2021), a gazebo, an included 5-person hot tub (purchased in 2021), a fire-pit area, and a recently added RV gravel parking pad. Other notable upgrades include new shingles (2024), central A/C (2023), interior paint (2021), hot water tank (2020), and some upgraded lighting. Ideally located near trails,
